## Urdu autobiography books pdf

Thomas Jefferson (1743-1826), the third president of the United States, is said to have compiled several lists of great books or best books. Since then, the concept of the list of 100 best books or 1000 great books has been popular in Western culture. Some have prepared a list of books they would like to read before they die. Many have prepared their own lists of the best books. In addition, there are the best lists of books that have been prepared by teams of scientists. Last week, a friend of mine asked if there were any such lists in Urdu. I said, as far as I could remember, there was and there could hardly be any list on which everyone agreed. She invited someone to start compiling a list of the best Urdu books, while others would join. My idea was to start a list of the best books based on genres. So here's a list of the top 10 Urdu autobiographies. Compiled in chronological order rather than in order of preference, it is based on importance, relevance, readability and literary and cultural value. A good book should not be a bestseller and can not please everyone. You may be different or even surprised by some of the names that others declare as favorites, as Andre Morua said: In literature, as in love, we are amazed at what others choose. But you have the right to treason against the British. It may not be a full autobiography in the real sense of the word, but it is a first-hand account of life on these islands and provides the political and historical basis of the war for freedom of 1857. This is one of Urdu's earliest autobiographies and makes good reading, too. Recently, San i-Meel Publications, Lahore, reprinted it. Aamaal nama - Known for its chaste Urdu and literary style, the book discusses political, social and literary issues of the late 19th and early 20th centuries. Written by Sir Raza Ali (1880-1849), who held important positions such as a member of the Indian Legislative Council and the Agent General in South Africa, the book was first published in 1943. The author described his life in detail and in such a frank way that few Urdu autobiographies can offer such frank ideas. The book has been out of print for several decades, but Patna Huda Bakhsh of the Eastern Public Library published a new edition in 1992. Mushahidaat - One of urdu's books banned because of their contents is the autobiography of Navab Hosha Yaar Chan Hosha Bilgiram (1894-1955). The book (1955) describes, in addition to other things, royal courts and royal life in the princely states of Hyderabad Dean and Rampur. Since he showed some parts of the personal life of those who mattered, his publication caused a stir from Many pages had to be removed and stickers had to be pasted to hide a lot of lines. But the high windows were not satisfied, and it was finally banned and confiscated in the Dean. The writer was shocked and died a few days later. Today, copies of it are very difficult to find. Naqabil-i-Faramosh - Sardar Divan Singh Maftun (1890-1975), a journalist, began writing his memoirs while in prison in 1943. It was published in his newspaper Riyaasat in 1944. When published later in the form of a book it became very popular. Mattoon decided to rewrite it and the second, extended edition was published in 1957. It tells the story of some very interesting and true title of the book unforgettable events. Maftun wrote a sequel called Saif-o-Kalam, but could not be published. A few years ago, a publisher from Lahore reprinted Naqabil-i-Faramosh. Hong Baha as Hakim Ahmed Shuja (1893-1969), playwright, journalist and poet, mourns in this autobiography the death of some friends, relatives and loved ones. It seems to overshadow the whole book, but still it is an interesting story about his era and contemporaries. He has a literary and scientific touch and is prized for his flowing prose, too. First published in 1962, it has encountered several publications but is now out of print, although some public libraries treasure it. Sargusasht - Sid Sulfikar Ali Buhari, popularly known as Buhari, began writing his autobiography in 1962. Serial in the daily newspaper Hurriyet, it was published as a book in 1966. Witty and somewhat naughty guy, as Buhari was, the book offers good glimpses of his wit, repartee and antics. It is also part of the history of broadcasting in India and Pakistan, not to mention the beautiful language. Yaadon ki dunya - This is a well-thought-out and well-written autobiography by Dr. Yousuf Hussain Khan, an Indian scholar. Published in 1967 and since the Mughal era, the book describes the life of the author, and then a huge canvas reflects the whole society. A beautiful mix of literature, history and sociology, the book is not easy to come in these days. Yaadon ki baraat - Often dubbed as Josh Malehabadi's controversial book (1898-1982), it appeared in 1970 and was criticized for some of its content that discusses Josh's countless love affairs. Known for his knowledge of Urdu, Josh definitely wrote a beautiful and unique prose. The narrative of his early life and environment absorbs. Recently, Dr. Hilal Naqvi found the missing pages and published them. Yaadon ki baraat is definitely one of the most interesting biography of Urdu. Jahan-e-Danish - Ehsaan Danish (1914-1982) was a self-made poet who earned his bread as a worker. A self-taught man, he was eventually recognized as a poet and scientist. The autobiography teaches lessons of courage. A person learns to face the world in conditions of extreme poverty and recovery. First published in 1975, a few years ago was reissued with the second part. Part. is considered the main humorist of Urdu. His autobiography first appeared in 1976 and has been re-released many times. Yousufi Sahib believes that a sense of humor is actually a sixth sense, and if one possesses this sixth sense, you can go through all the hardships of life with a smile. That's exactly what he did when talking about his career as a banker: he smiles at difficulties and laughs at trouble. This should be read for everyone. Shahab Nama: Kudratullah Shahab (1917-1986) was one of the main bureaucrats, but in fact he was a science fiction writer. This was also reflected in his autobiography, and Mushfiq Hwaja, a close friend of Shahab, also called him fiction. Some incredible incidents from each other, it shows the miserable state of affairs of the nascent country, whose people have been deprived of democracy. The early part of the description of the British Raj also makes absorbing reading. This is one of the bestsellers in recent history. draufparekh@yahoo.com Homes / Bookshop / Biography of Sheikh e Akbar Mohiuddin Ibn Arabi Muhammad Shafi Balokh Pdf Free download Sheikh e Akbar Mohiuddin Ibn Arabi Muhammad Shafi Baloh.
